Benny™ Benefits Card Use

The Benny™ Benefits Card is a special MasterCard® that you can use instead of cash to pay for eligible, out-of-pocket health care expenses. It debits your BESTflex℠ Plan Health Care Flexible Spending Account (FSA), making the plan more convenient and easier to use.

The Benny™ Benefits Card works at all health care, dental and vision provider offices; and grocery stores, discount stores, department stores and pharmacies that have implemented an inventory information approval system (IIAS). The IIAS must separate prescriptions from other eligible expenses. Stores with an IIAS allow Benny™ to be used only for eligible expenses and automatically substantiate your Benny™ transactions at the point of sale. A list of IIAS merchants is available on our home page at www.ebcflex.com.

You simply swipe the card to debit the Health Care FSA at any of these types of locations. You should save all Benny™ transaction receipts, as you may be asked to provide receipts for transactions that were not verified as eligible at the point of sale. The Benny™ Benefits Card must only be used to purchase eligible expenses.

There is a $9 Annual Debit Card Administration Fee that will be taken as a payroll deduction.

You need to complete a Benny Benefits Card Employee Paid Election Form each year to participate.

Remember, the Benny™ Benefits Card is not a consumer credit card. You cannot use the Benny™ Benefits Card to buy a new TV, clothing or groceries. Inappropriate purchases will result in temporary suspension of your Benny™ Benefits Card and require you to repay the plan. Due to IRS regulations, you must always save your receipts for verification or the event of an IRS audit. There are no exceptions.

Benny™ Benefits Card Election

☐ Yes, please send me the **Benny™ Benefits Card.** I understand that the card can only be used to pay for eligible expenses under my plan and certify that any expenses paid for with the card have not been reimbursed and will not be reimbursed under any other plan. I understand that I will initially receive two cards and that there is a non-refundable annual fee. I authorize this fee to be automatically deducted from my paycheck. I also understand that there is a $5 fee for any additional cards.
