City, State, Zip Code			
Contact Person		Telephone	
Email Address		Fax	

Fees will be calculated based on the type and quantity of the material brought for disposal. A price quote can be provided if requested from the vendor. Pesticides and related agricultural chemicals may qualify for a 50% subsidy from the Wisconsin Department of Agriculture, Trade and Consumer Protection.

Please weigh all materials in their containers.

Radioactive, infectious, explosive and ordnance wastes will not be accepted.

Waste Material (name & description)	Number of containers	Container sizes	Total amount in pounds
Example: Diazinon	*1*	*1-gallon*	*10 pounds*

Please submit this form at least 3 business days prior to each Hazardous Waste Event.
If you have any questions please contact the Dunn County Solid Waste Division at:
715-232-4017 or swr@co.dunn.wi.us
