April 25, 2013

Dunn County Solid Waste has named Cathy Asher as April's "Get Caught Recycling" winner. Due to her cleanliness and great sorting, Cathy's bin stood out among the others at her apartment building. Her recyclables were sorted into individual, untied plastic bags and all her cardboard was flattened which earned her a \$25 gift card from the Menomonie Market Food Co-op.

While Cathy sorted her recyclables into various bags, it is recommended to use alternative containers to sort recyclables. However, if plastic bags are used, always leave the bags untied. Tied bags cause delays and frustration of haulers who pick-up curbside recycling. When the bags are tied, haulers have to rip them open to access the materials, slowing their process down.

Recycling Specialist Amanda Dent has more gift cards to give away, so she encourages everyone to "Keep up the great recycling!" A special thanks to all our Get Caught Recycling sponsors: Keyes Chevrolet, Simply from Scratch, Mill's Fleet Farm, Vagabond Bakery, Menomonie Market Food Co-op, Acoustic Café, The Grain Bin Market & Bakery, and The Raw Deal. For more information about recycling or the "Get Caught Recycling" campaign please contact Amanda Dent at [adent@co.dunn.wi.us](mailto:adent@co.dunn.wi.us) or visit us on Facebook at [www.facebook.com/dunncountyrecycling](http://www.facebook.com/dunncountyrecycling).
