March 25, 2013

UW-Stout's Jeff Ohvall "Gets Caught Recycling"

March's "Get Caught Recycling" winner is Jeff Ohvall who is frequently found picking up recyclables on the campus of UW-Stout where he works. Ohvall says there are always items to be picked up as he walks to and from his office each day. According to his wife, "Jeff cannot pass a plastic bottle or beer can without picking it up and bringing it home or putting it in the proper recycling receptacle".

Jeff's exemplary recycling and litter prevention ethics earned him a \$25 gift certificate to Simply from Scratch. Other sponsors of Dunn County's "Get Caught Recycling" campaign include: Acoustic Café, Vagabond Bakery, Keyes Chevrolet, The Grain Bin Market & Bakery, Menomonie Market Food Co-op, and The Raw Deal. To be a sponsor in the "Get Caught Recycling" contest or a future recycling campaign, please contact Dunn County Solid Waste at 715-232-4017.
