Proposed Transportation Improvements

The Dunn County Highway Department is proposing roadwork on County P at the Irving Creek crossing near 490th Avenue. The project will include the removal of the existing structure, construction of a new structure, reconstruction of roadway approaches, new asphaltic pavement, and gravel shoulders. The project design is currently scheduled to be completed by August 1, 2025, for construction in 2026.

Please View

All persons interested in the County P project are encouraged to view the Public Information Material (PIM) on the Dunn County Highway Department website located at the following address: <https://dunncountywi.gov/highway>. Visit the website to view the project information, including an exhibit showing the preliminary roadway and structure layouts. Also, we encourage you to share this information with others that may be affected by this project. The intent of this virtual presentation of material is to provide an opportunity to view the project plans and provide comments and feedback from the public.

Staff members from the Dunn County Highway Department and its consultant, Short Elliott Hendrickson, Inc., will be available via phone or email to discuss the proposed improvements. Project drawings, location maps, a project information sheet, and a comment form will be on the website to illustrate the proposed project and provide comments.

Your Involvement
