The Dunn County Highway Department is proposing improvements to two County Highways in the Town of Tainter. The proposed project includes replacing the pavement on two sections of roadway:

- CTH D between STH 25 and 816th Avenue
- CTH G between CTH BB and CTH D

See attached project location map.

Information on this project can be found online at: <https://www.co.dunn.wi.us/highway>

## PROJECT DESCRIPTION

The proposed project will consist of:

- Pulverize and overlay of CTH D
  - Highway will be widened by 3' and require grading and ditching to accommodate wider roadway footprint
  - Additional right-of-way will be required in some areas but not along the entire project.
  - No realignment is anticipated.
- Pulverize and overlay of CTH G
  - Highway will be widened by 3' and require grading and ditching to accommodate wider roadway footprint
  - Additional right-of-way will be required in some areas but not along the entire project.
  - Intersection of 540th Street will be realigned to perpendicularly intersect CTH G.
- Reconstruction of CTH D and CTH G Intersection
  - Curb and gutter to be added along the roadway in front of Jake's Supper Club and the Pioneer Grill & Saloon to improve drainage and improve delineation of the intersection footprint.
- Rehabilitation of Lambs Creek Bridge (P-17-951)
  - Wooden walkway along the existing structure to be removed and roadway deck to be expanded to the outside bridge rail.

## PROPOSED TRAFFIC IMPACTS

CTH D and CTH G will be closed to through traffic for the duration of the project. Access for local property owners and businesses will be maintained.
