Dear Reader,

On April 2<sup>nd</sup> the Veterans Ministry Group held a ½ day conference on Moral Injury, with breakout sessions on Herbicide/Agent Orange Exposure, The Effects of War and What Communities Can Do. Turnout for the event was great and the feedback was positive.

We are looking for ideas for topics for next year's conference and would like to know – what are you interested in learning about? What are the topics you'd like to see presented to the community and fellow veterans?

I hope you enjoy your summer,

Greg Quinn, County Veteran Service Officer

We will coordinate and refer to other agencies in an attempt to address all needs and do our best to make sure we explore all options.

This office is lucky to host a Licensed Professional Counselor one day a week from the Vet Center of La Crosse at no charge to provide confidential services. We help coordinate an outreach event each Spring and you will find our presence at local Memorial Day, and Veterans Day events.
