Dear Reader,

Happy early Veterans Day! I've attached an online link for Veterans Day Discounts that you all have earned. Please ensure you have proper identification to verify the Veteran status such as military retired identification, VA Veterans Identification Card, Veteran Service Organization membership card, or the State of Wisconsin Veteran Identifier. If you don't have any of the above items, please use a copy of your discharge document. If you have any questions about these items, please call our office. Lastly, please get out and enjoy many of the programs offered by your local schools honoring all Veterans.

Volunteer Needed

Due to your generous donations our office has an excess of medical supplies and we would like to share the wealth. We are looking for a volunteer with a truck to help transport and donate the excess supplies to Global Health Ministries in Minneapolis. Global Health Ministries ships the equipment all over the world to support health care systems. If you are interested in helping coordinate and deliver these excess donations, please call our office at 715.232.1646.

VA Emergency Room Procedure

VA may pay for your non-VA emergency care:

If you are:	Then:
Service-connected	VA may pay for your non-VA emergency care for a rated Service-connected disability, or for your Nonservice-connected condition associated with and held to be aggravating your Service-connected condition, or any condition, if you are an active participant in the VA Chapter 31 Vocational Rehabilitation program, and you need treatment to make possible your entrance into a course of training or to prevent interruption of a course of training or other approved reason or any condition, if you are rated as having a total disability permanent in nature resulting from your Service-connected disability

VA may pay for emergency care provided in a non-VA facility for treatment of a Nonservice-connected condition only if *all* of the following conditions are met:

If you are:	Then:
Service-connected, not Permanently and Totally Disabled, or Nonservice-connected	<p>VA may pay for your non-VA emergency care for treatment of a Nonservice-connected condition if all of the following conditions are met:</p> <ul style="list-style-type: none"> • The episode of care cannot be paid under another VA authority, and • Based on an average knowledge of health and medicine (prudent layperson standard) you reasonably expected that delay in seeking immediate medical attention would have been hazardous to your life or health, and • A VA or other Federal facility/provider was not feasibly available, and • You received VA medical care within a 24-month period preceding the non-VA emergency care, and • You are financially liable to the health care provider for the emergency care, and • The services were furnished by an Emergency Department or similar facility held out to provide emergency care to the general public, and • You have no other coverage under a health plan (including Medicare, Medicaid and Worker's Compensation), and • You have no contractual or legal recourse against a third party that would, in whole, extinguish your liability
