Objectives:

1. Understand what Complex Traumatic Stress is, and how it can affect the typical development of children
2. Gain awareness of the types of behaviors (symptoms) commonly seen in children who have had traumatic experiences
3. Understand the need to address psychological as well as physical safety in alternative care and when planning family contacts
4. Advocate for and be able to adequately identify providers

Childcare will be available! Please indicate the number and ages of children needing care when you RSVP.
